

Our new school building is almost ready!

Excitement has buzzed around school this week as the move to our new school draws near. All of our pupils deserve such a fantastic building and being in such an amazing environment will no doubt inspire more great learning.

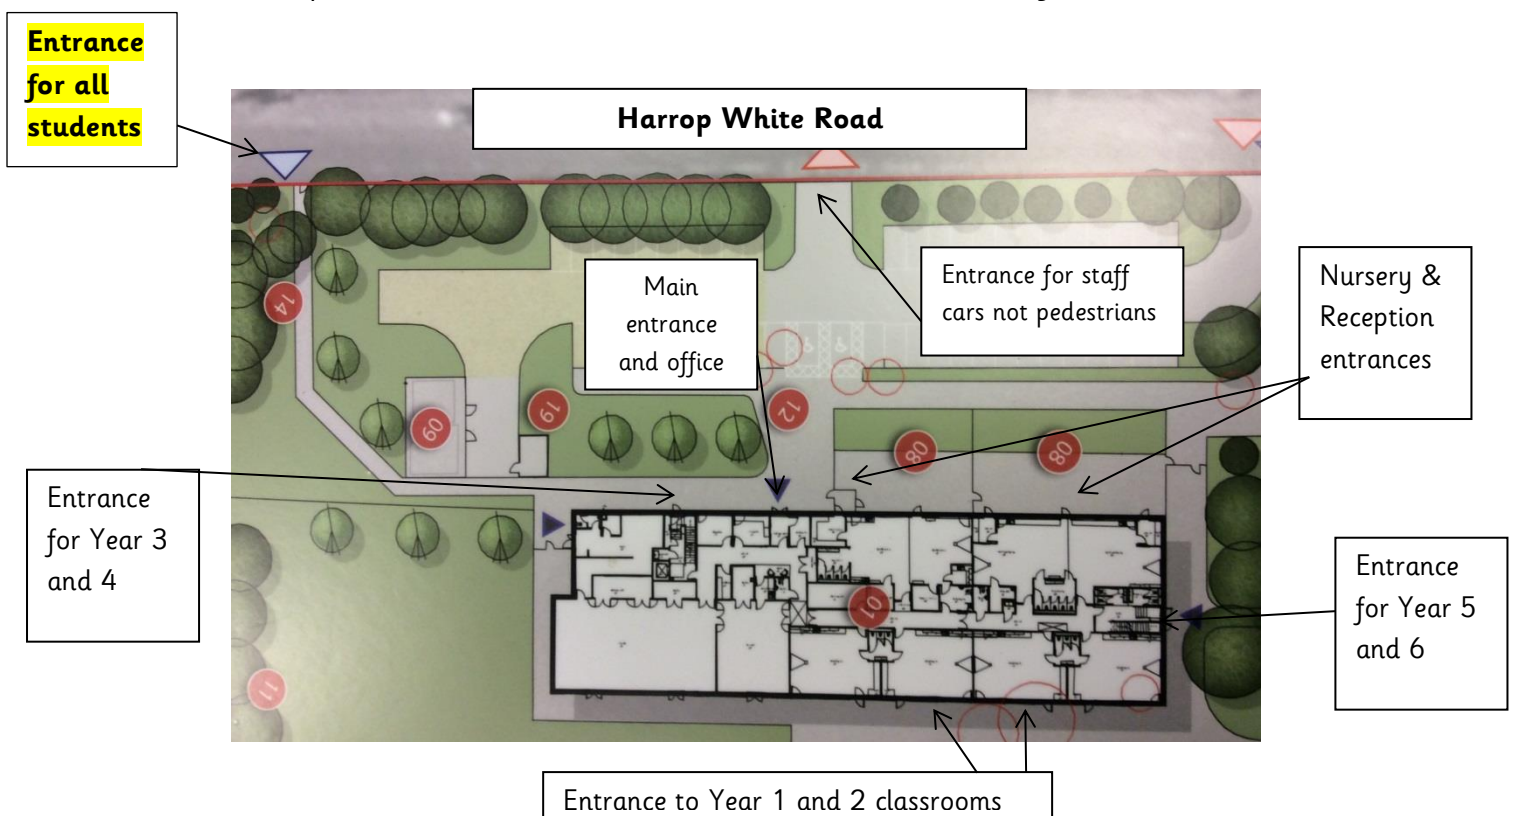

We recognise that our current building holds many special memories for many people within our community. Mrs Land has been busy making a photograph album which captures the final moments and all the children in our school. This will be available to view in our new reception area.

Access to our new school building

School reopens on Thursday 25th February. We look forward to seeing you all on that first day. Don't worry about knowing where to go as there will be lots of staff on hand to direct you.

Here's some information to help you navigate your way around our new site. Please see the information below as if you are stood facing the building:

- There will be **one pedestrian entrance** from Harrop White Road, **which will be different to the usual entrance**
- Nursery and Reception (F2P and F2W) are at the front of the school
- Classes 2P, 2W, 1P and 1W will all be at the back of the school. These classes have their own separate door leading straight into the classrooms. These classrooms can be accessed by walking around the back of the school
- Classes 3P, 3W, 4P, 4W are all upstairs – The entrance to these classes are through a door at the front of the building. The door is to the right of the main entrance
- Classes 6P, 6W, 5P and 5W are all upstairs. The entrance to these classes is on the left hand side of the building
- All cloakrooms are inside the classrooms
- Doors will open as usual at 8:50am and children can make their way to their new classroom

School Uniform

We look forward to seeing our pupils in full uniform in our new building. Our older pupils are choosing to wear alternative clothing. Please support us in this, ensuring that your son/daughter comes to school in the correct uniform. Thank you.

School Clubs

Clubs will start again week commencing 29th February. The Art Club run by Mrs Small will start again week commencing 7th March and will run for 4 weeks. This will be for a new group and letters will be sent to parents of the relevant children.

Coming Soon.....Story Telling Week

Plans are already underway to celebrate World Book Day on Thursday 3rd March 2016 in a story telling themed week. We are inviting children (and staff!) to come to school that day dressed as their favourite book character with their favourite book. There will be a book prize given in each year group.

Computer Games

It has been brought to our attention that some children are repeating words and behaviours that they have experienced through playing computer games. Computer games are certificate rated and material in them is considered to be inappropriate for children to access younger than the certificate rating. Children are openly telling us that this is where they pick up inappropriate language. We advise that only age appropriate games are played.
