

World Book Day

Thank you for supporting World Book Day. We had a range of costumes so thank you for the great effort that went into providing them. We had a great day learning about our favourite stories and different authors.

Parents Evening

We are holding our next parents evening on Tuesday 22nd and Wednesday 23rd March. There will be an opportunity for children to show their parents around our new school during parents evening. We will also have a range of brand new books and stationary for sale. We look forward to welcoming you into school to meet with your child's teacher and to also see our wonderful new building. You will receive a more detailed letter about Parents Evenings next week.

Road and Site Safety

We would like to thank everyone for being patient as we settle into our new building. It is planned for our full site to be ready in September 2016. In the meantime this leaves us with one pedestrian entrance into school. Please can we ask that when you come up and down the path you stay on the left hand side, this will help with the amount of adults and children coming down the path.

Our school crossing patrol remains in the same place. It has been assessed by Nottinghamshire County Council as still being the safest place to cross each day. It has been identified that the high number of pupils being dropped off by car at our school entrance is putting our children at risk. We are liaising with Nottinghamshire County Council to improve the safety of our new entrance and aim to do this as quickly as possible. In the meantime, we ask that any parents dropping children off in cars do this away from our pedestrian entrance.

School Website

We are currently updating our school website. We would like to share the work and events that happen in school. Please can you return the reply slip on the attached photograph letter to indicate whether or not you give permission for a photograph of your child to be used on our website, as and when events occur.

Homework

We have revised our homework policy where all children in Key Stage 1 and Key Stage 2 will be receiving spelling and maths homework each week. We also ask for you to read with your child each day. Please speak with your child's teacher if you have any questions about homework.
