

## Wainwright Primary Academy Review 2016-17 & Planned Spend for 2017-18

### What is the Pupil Premium?

The pupil premium is a Government initiative allocating funding to schools to support children who are eligible for free school meals. Research shows that some children from disadvantaged backgrounds underachieve when compared to children from non-disadvantaged backgrounds. The funding is provided in order to support these pupils in reaching their full potential and to close the attainment gap.

### Who can access support from the Pupil Premium?

- Any child that has claimed free school meals at any point in the last 6 years
- Children adopted from care under the Adoption and Children Act and children who have left care under special Guardianship or a residence order.
- Children from services families

### How can it be spent?

We can decide how to spend the Pupil Premium for the benefit of our children. However, we will be held to account on how we have used this funding and the impact that it has had. Guidance has been given by the Government on strategies that could be used to improve pupil progress and attainment. We have taken this advice on board in developing our strategy.

### How much funding did the school receive last year?

Last year we received £190, 000. There were 144 children eligible for pupil premium. This was 39.3% of the children on roll.

### How has the Pupil Premium been spent?

We have spent our pupil premium in 3 main areas:-

- Providing **academic support** to raise attainment
- Providing **enrichment** to encourage aspirational learning and engagement in school life
- Providing **emotional support** to foster the resilience and self-confidence to be a life-long learner

#### How much funding will the school receive this year?

We have 113 children out of the school total of 391, we have been allocated approx. £150 000 which represents £1320 per child. 29% of the school are eligible for this funding.

#### How does the school intend to manage its spending?

We have very clear aims in place to ensure the funding has maximum impact on attainment.

### **Our aims will be**

- To clearly identify socially disadvantaged pupils at risk of poor outcomes.
- To provide early intervention and support for socially disadvantaged pupils
- To ensure that the vast majority of socially disadvantaged pupils achieve or exceed age related expectations
- To provide effective support for pupils, parents and families, working with external agencies where necessary.
- To have effective systems for identifying pupils eligible for pupil premium and for assessing and monitoring the progress they make as a result of our intervention.
- To spend the money effectively in order to ensure the school's progress in closing the attainment gap.
- To regularly monitor and review the effectiveness of our spending and share this information with parents, carers, governors and staff.
- To involve parents and carers in deciding how part of the funding is allocated.
- Allocate a governor to oversee the monitoring, expenditure and outcomes of Pupil Premium spending.
