

Appendix for local arrangements to accompany DALP Supporting Pupils with Medical Conditions

Page 6 Point 6 **Managing Medicines on Academy Premises**

6.2 Pupils at Wainwright Primary Academy do not carry their own medicines. Where conditions have the potential to need immediate management, medicines are kept securely within the classroom area to allow easy and quick access in an emergency.

6.6 This point does not apply within the primary setting.

6.8a, 6.9a and 6.10a all make reference to medicines that will be carried by students. At WPA, any inhalers, epipens and insulin pens are kept securely within the classroom area to allow easy and quick access in an emergency.

6.9c and 6.10c At WPA, medication is administered by a member of staff.

Page 9 Point 14 **Procedures for Managing Prescription Medicines which need to be taken during the Academy Day**

15 Record keeping

The register will be signed by a member of staff, not by the student.
